

【Important announcement of leave Taiwan】

If you want to leave Taiwan recently, the school and government's advice is to stay in Taiwan rather than move transnationally. Please follow all the notices we've posted. If you move now, the risk of infection will increase. When you confirm that you want to leave Taiwan and return to your country, please read the announcement about COVID-19 measures from Nanhua University as below:

1. Students should apply for permission to leave Taiwan through OICA, and sign the affidavit before leaving school.
2. Please check your ARC expiration date, and apply for an extension on the online application system before 30 days of its expiration. Once your ARC expires, you cannot enter Taiwan until you re-apply for a Resident Visa and a Re-entry Permit through Nanhua University.
3. International Students holding a valid ARC, please follow the regulation of Taiwan CECC and NHU to enter Taiwan. According to the government's and NHU's regulations, every student coming from abroad is required to undergo the 21-day quarantine and self-health management (the next day after arrival is considered the 1st day of quarantine). During the self-health management period, students cannot enter the campus.
 - (1) Please book a quarantined hotel before you return to Taiwan (daily rate around NT\$ 2,500-3,000). Please provide the OICA with a receipt of quarantine hotel for at least 16 days and indicate the hotel's address and contact information.
 - (2) Before boarding the flight to Taiwan, all travelers must provide a COVID-19 RT-PCR test report (Eng. ver.) issued within 2 days prior to the flight schedule time.
 - (3) In addition, you should log into the Quarantine System for Entry (<https://hdhq.mohw.gov.tw/>) to complete the online health declaration and make an affidavit stating that you have met related regulations.
 - (4) For students staying at quarantine hotels, the government will contact hospitals to arrange a COVID-19 RT-PCR test on Day12 to 14 of quarantine. You are responsible for the related cost. You will receive the test result from the hospital wil after 1or 2 days. Therefore, students should stay at least 16 days at quarantine hotels until the COVID-19 test result is available and is negative.
 - (5) Do not take public transportation from the airport to the quarantine hotel, nor when the quarantine is finished. A taxi designated by the government is the only option.
 - (6) COVID-19 rapid test kits will be provided for those over 18 years old at the airport. No testing is required for those under 18 years of age. Please keep test kits properly. They will not be reissued if they are lost. Please use COVID-19 rapid test kits on the 6th to 7th day of the self-health management period. You can watch COVID-19 rapid test kits operating instructions here: <https://youtu.be/EYBT0ZEaw4A>. After the test result come out, you must take a photo of it and send it to the International Office for confirmation.

(Please continue on the next page)

(7) The above six points will be changed at any time due to the international epidemic and government announcements. Please confirm the latest regulations with OICA.

4. You must return to Taiwan before the new semester begins. And you should report your flight information and address of the quarantine hotel to OICA a month before leaving for Taiwan.
5. If you cannot return to Taiwan or complete 21-day quarantine before the new semester begins, it may cause an absence from class. Please remember to apply for taking leave on the student system.
6. Please be reminded that you should contact the director of your department in advance to confirm whether online courses are applicable next semester if you cannot return to Taiwan due to the severe pandemic development.
7. Please stay updated with school announcements and regulations. Please follow up on the latest COVID-19 prevention measures announcement with the staff of OICA.
8. Please follow the regulations of Taiwan’s Central Epidemic Command Center and the school. Violators will be punished in accordance with relevant regulations and submitted to the school’s reward and punishment meeting. Those who are cited with a major demerit are disqualified from receiving school scholarships.
