# 一、如何將螢幕分享權交給學生

1. 教師於同步授課時，可於「主辦人控制項」將所有人的「分享螢幕畫面」權限關閉，若學生需要分享畫面時，再開啟此權限給學生分享。

The image displays a Zoom meeting interface with two side-by-side panels illustrating the process of disabling screen sharing for all participants. The left panel shows the 'Host Controls' menu with the 'Share Screen' toggle switch turned off. The right panel shows the same menu with the 'Share Screen' toggle switch turned on, and a red arrow labeled '關閉' (Close) points to the 'Share Screen' toggle switch in the right panel. A red arrow also points from the 'Share Screen' toggle switch in the right panel to the 'Share Screen' button in the bottom toolbar. The bottom toolbar shows the 'Share Screen' button highlighted with a yellow box. The right sidebar shows the 'Participants' list with the 'Host Controls' button highlighted with a red box. The bottom status bar shows the meeting ID 'pbs-nznq-guw' and the name '佩珊' (Pei Shan).
