In order to enhance the "Citizenship Competence" and "Liberal Arts" competence of foreign students, foreign students are free to choose at least 10 credits from cross-field courses, department elective courses, courses of other departments and micro courses. If there are still insufficient, the Chinese Language Center should provide relevant elective courses to make up. In addition, all departments, the Institute of International and Cross-Strait Affairs or academic affairs office should make good use of informal courses to strengthen the citizenship competence of foreign students, and ensure that both foreign and domestic students have reached the goals of the general education and possessed the core capabilities of the school. *

Remarks: Mandarin learning courses can not be used as substitutes for general education courses.
