1. Effective Fall 2022, students purchase health insurance directly from the Agent.

Exchange students are required to purchase the basic package for Room and Board. **We currently do not offer meal plans.** Students will need to pay an associated $50 housing application fee, a $200 housing deposit, a $50 housing cleaning fee, and a $20 mailbox fee. The housing deposit is non-refundable and will be credited toward their housing charges.

International students are required to enroll in at least 12 units per semester (four 3-unit courses) and are required to purchase student health insurance here in the US. Currently, this costs $139 per month. (This amount may increase as it is regulated by a health insurance company. UWest cannot control the cost of health insurance.)

Finally, the student's books and class materials, food, other materials, airport pickup, incidental expenses, and travel costs are not included in the costs listed above and are the responsibility of the individual student.

* All rates and fees are subject to change upon advance wrote notice.
* The 100% tuition waiver covers up to 12 units per semester for exchange students. This is typically equivalent to 4 courses. Exchange students may take additional unit(s) charged at the UWest tuition rate and paid directly to UWest.

* In order for the Form I-20 to be issued, please provide at least $7,200 USD bank statement for one semester and $14,400 USD for two semesters. This amount is an estimate based on typical average costs. Actual costs may be higher or somewhat lower depending on a student's particular circumstances. This is the minimum amount needed for the bank statement for the I-20. However, U.S. counselor officials may view your bank statement with higher amounts more favorable.
